

Club News

11th December 2014

<p>HAPPY CHRISTMAS EVERYONE Hope to see you at the Christmas meal next Thursday 18th December, otherwise training starts on 8th January 2015</p>	<p>Sam is updating all contact details, please let her know if ANY of your details have changed.</p>	<p>IMPORTANT A reminder to ALL members, when you are not attending club, please phone Jill: 01284 728458 or text 07766 817685 BEFORE 5pm</p>
<p>1st Team News</p> <p>Having started the season with a squad of 14 players, we have been struck with illness and unavailability that have reduced the squad to 8 players. So far we have won 2 and lost 3 matches. However spirits are high, especially with the return of Paul Guest to the squad for the last two games. We wish, Amy, Fiona and Paul Bowman a full recovery and hope to see them back to fitness soon.</p>		<p>Junior Regional Performance Centre</p> <p>As part of a new BWB initiative, Jill has been selected as Coach for the East RPC held at Newmarket Leisure Centre. There are four sessions during the season and Josh has been nominated from Bombers to attend.</p>
<p>Bury Bombers Committee</p> <p>The committee have met twice this term and are finalising the Club's Development Plan for the next three years. This document will be uploaded on the website soon. They have also updated the Code of Conduct for this season and issued a new membership form which everyone has been asked to complete. An equipment audit is also being compiled. The club continues to rely on a small band of volunteers to help with the various roles which makes Club training and matches run so smoothly. It is hoped that extra help will soon be forthcoming with the help of a County Volunteering Project in which Bombers has been selected to participate. The Club has also been chosen to have a 3 minute professional video made to help with our development. Filming should be starting next year. Hugh has been able to organise full internet banking for the club recently; a great help for any bills.</p>		<p>Fundraising</p> <p>West Suffolk College students are holding a 24 hour Marathon Cycle, Run and Row today until 10a Friday and Bury Bombers is one of their chosen charities to benefit from the event.</p> <p>We wish them well, especially during the early hours of tomorrow morning!!</p>
