Team News

The team have now played five games since September, and although they have only won one match, they are in good spirits and though a small unit, are very committed to the club and to each other. Led by Daniel as Team Captain, they are working hard to develop their game.

Phone Tree

This is the time of year when the weather may make us consider that members should not make any unnecessary journeys. There is a phone tree organised so that the committee can contact you by phone or text to let you know that club is cancelled. Therefore should you change phone numbers, PLEASE let Barry know soonest.

Bury Bombers Committee

The committee have met twice this term and have co-opted Julie Brookman, James' Mum, who has taken the role as one of our Welfare Officers; Dan is the other. Jill has continued to Chair the meetings and take minutes; should anyone have any secretarial skills, the committee would love to hear from you! We meet once every half term, usually in Culford. The committee are presently bringing our Development Plan up to date and checking that everything in place to retain our Silver Clubmark. Barry, as Membership Secretary (he is not on the committee) has been making sure everyone has completed the relevant forms, and will be asking you for one final signature on a new BWB form.

Our Treasurer, Demi, would also like to remind you that subs for next term can be paid in full or half termly amounts. This saves time at the beginning of Club, shows your commitment to the Bombers and can save you money! Please talk to Demi in January.

SGM—Notification

The Committee would like to give formal notice of an SGM taking place on

Thursday 2nd February at 8pm.

Since the resignation of the previous Chairman, Jill has been acting as Chair since September and this is to formally elect her into this position until July 2017. If anyone else would like to put themselves forward for the committee, please talk to Jill, Dan, Demi or Julie.
