Bury Bombers—a Sponsor

If you have visited the club's website recently, you should have seen a new logo in our header. Did you attend the Christmas dinner and meet Tim and Mo Blogg? Or have you noticed that Paul has been hosting some club visitors recently? If you can answer 'Yes' to any of these statements and took in the information at the 'SHOUT' in December, you already know about this. We are very pleased to officially announce that we have been chosen to receive a small amount of money on a regular basis from **Inspire Social Capital**. They are also keen to support us with future fundraising. So watch this space for further developments.

We are also arranging the purchase of collecting boxes, following a suggestion from one of our newer parents. If anyone has a local shop or business that could take one of these, please talk to Paul.

Committee

I am sorry to announce that Aiden Hughes has asked to stand down from the committee due to work and personal commitments. Aiden started as a junior player with the Bombers many years ago. We thank him for all his efforts over the years.

The Committee would like to co-opt a junior player who is over 16 to be the Junior voice of the Club. Please talk to Paul if you are interested.

New Club Arrangements

We have now decided to introduce biweekly club times. The club will start on court 19:00, with the first session finishing at 8.15. The first team players will then carry on until 21:00. On the alternate week the club will run until 21:30 for them to work on fitness and plays etc. All players to be there no later than 18:45 this allows us to get chairs ready and begin the session on time. It is important that we all arrive on time and are ready to start as our hall times and latitude to over run or get on early has been curtailed as the hall is getting more and more school bookings. Paul
