Teeny Bombers

There have now been five monthly sessions for the Teenies and we hope you will all agree how successful they have been.

Thanks must go to the junior members of the Club for their assistance with this session and for the specific inputs from Chelsea. Next session is on 23rd June.

Club Coaches

As you are all aware, Paul gained his Level 2 qualification recently.

I would like to extend my personal congratulations and thanks to him for taking over coaching responsibilities to enable Barry and I to enjoy our holidays.

I would also like to thank the Level 1 Coaches who have helped during club sessions.

Club Signing

The Club is hoping to put at least one team in the National League next season.

We need commitment and a decision from 1st team players initially to know if this viable.

Forms have to be submitted in June.

Please think seriously about this and share your thoughts with Paul and Jill.

HELP US

Set Up & Put Away

We need the help of ALL parents/friends/family who accompany players to Club at Set Up and Put Away time.

We are relying on a small group every week and they need to see everyone is willing to help. We are grateful to Karen who continues to support us when she can, but please can more people turn up at 6.30 to help us, and stay to put away when the session ends.

Annual Raffle

The Club will be organising a Raffle for the summer and would like ALL members to try to get a prize. This needs to be in voucher form, so that we can post the prizes.

We need the tickets to be printed by the end of June, so please can you let Daniel know when you have secured a prize.

It is hoped that all members will sell at least 50 books

This is the only fundraising organised by the Club.
