Team News

The first team has played three games so far, all at home, but despite creditable performances a win is still to be achieved. Amy, Robert and Lloyd have been promoted to the first team and though it is a steep learning curve for them all, they are working hard with the team. Thanks to members, families and friends who have supported the games so far. The next game is away against Titans 2 on Sunday, 2nd December.

Games for the Development team have now been finalised. The team is in a league with Jaguars and Crusaders and will be playing both teams at each venue on 9th February, 17th March and 13th April 2013; the latter fixture being at Culford. The team will be chosen from: Matthew B, Tim, Carl, Daniel, Kate, Chelsea, and Demi. It is hoped that more new players will be included in the Development squad.

Bombers Christmas Meal

Parent/Partner and Friends Evening

The committee would like to invite every playing member to get a Parent or Partner or Friend to attend a short meeting during Club night on 29th November, 7 pm to 8 pm.

The committee has several topics that they would like to discuss, particularly to do with organising a rota of helpers each week to assist with setting up, teas and the storing of equipment at the end. We are also still looking for a new committee member, if possible from a new member to the club.

Please detach the slip below and return it to Jill so we know who is attending.

The following will be attending the Parents/Partner/Friends evening on 29th Nov (7-8pm):
