12th November 2015

Bury Bombers Needs YOU!

We need ALL members to try to help with fundraising.

If we do not have a serious influx of funds this year we will have to consider our future.

Do you know any local businesses/schools that might help?

If you could arrange to talk to them and show the film that is on the website, the committee would be happy to supply a DVD copy for them to see and an individualised letter for you and supply you with leaflets too.

Please note Aiden Hughes will need some information from you, see below.

Fundraising Coordinator—Aiden Hughes

Aiden has agreed to take on this role for the committee and is setting up a database of companies and trusts that are contacted with any sponsorship request. To avoid duplication of requests

please email : aiden@burybombers.org.uk

BEFORE you apply with details and follow up with the outcome.

Club Fees

Several Club members are making it more difficult to collect the weekly fees.

PLEASE consider paying ahead.

Hugh is willing to organise half termly payments: by cash, cheque or BACS. Let us know if you would like to do this.

PLEASE NOTE from 17.11.15 a

50p ADMIN FEE WILL BE CHARGED FOR LATE FEES.

Club Start Time

Coaches would like to request that ALL players arrive at Culford by 6.45 to have time to find and get into their chairs.

IMPORTANT

A reminder to **ALL** members, if you are **not** attending Thursday club, **please phone** Jill before 5pm :

01284 728458

or text 07766 817685

Welfare Officer

The committee are pleased to announce that

Daniel Dickings

has agreed to be our second welfare officer.

Samantha Barnes

continues in her role as Welfare Officer.

Please feel to talk to either Officer if you have any concerns.

Wheelchair Maintenance

You need to let us know if your/your child's chair needs attention. It is difficult to deal with problems at the beginning of Club, and it wastes valuable playing time. So please report problems during or at the end of Club.

Maybe YOU can offer to help with a repair.?

Collecting Boxes

A parent has asked if we provide collecting boxes for local businesses. Is there anyone in your town/village that would take one? Let Paul know and the committee will organise some.

Clothing Order

Jill is about to organise the order for polo shirts, hoodies and fleeces, but needs a few more requests to keep to the prices quoted.

This is the only time in the season that orders are made, so please text Jill if you want to order anything.

Raising Awareness—a reminder

The Club have been invited to be involved with an awareness campaign to involve medical professionals to raise awareness for disabled sport. Can we please have details of your/your child's consultants, who will be approached to come and try our wonderful sport and hopefully raise some money as well.

Legacy Series

We are still trying to get commitment from players/teams to come and play in the next tournament. We have a provisional date of 28th November. Will all development players please save the date.

Christmas Meal

is booked for 17th December. We have 35 members booked. Please make sure we have your menu choices and money by 3rd December

Club Dates 2015/16

*Last Club: 10th December
Spring start: 8th January
Half term: 18th February
Last Club before Easter:
24th March*
