20th Sept 2012

Welcome everyone to the new season! Following the amazing success of the Paralympics, we are pleased to welcome new members and look forward to everyone developing their skills and forging friendships that will continue for a long time.

Standing as your Chairman again I look forward to the club continuing to grow under my leadership. The committee are looking to co-opt another member as Caroline Fletcher is unable to stand this year due to medical problems. So if you are interested in joining us, we meet every half term, please talk to Jill, Ian, Aiden or David.

Following the compilation of all the paperwork for ClubMark, we will be asking all players, office holders and designated team followers etc to sign a 'Code of Conduct' and to check we have your correct contact details. Amy will be our membership secretary once this has all been compiled.

We have an invite for 13 October 2012 between 2 – 4pm to join the YMCA Suffolk who are taking part in a world wide YMCA record attempt to shoot as many basketball hoops as possible on that day. They would love to see any of you at the event in (Ipswich, Bury, Lowestoft as appropriate) to be one of 5 million people across the world who are raising the profile of the YMCA as an organisation that empowers young people to have a vision for their lives. You will only be asked to shoot one basket ball and it doesn't even have to go in! They are also offering free cake!

The 1st team home matches, held at Culford Sports Centre, are listed below. Please come and support and if anyone can offer assistance please talk to Barry (Team Manager). We need help with wheelchairs, match statistics, teas etc. Please always check the website [www.burybombers.org.uk](http://www.burybombers.org.uk) in case of changes. A 2nd team is being entered in Development League.

## How to access the Bury Bombers Twitter and Facebook pages:

Here is an explanation from Hugh that explains how:

**Twitter:** Easy!! Type [www.twitter.com/burybombers](http://www.twitter.com/burybombers) into your internet browser to access the Bury Bombers twitter page. You'll see the image below at the top of your page; if you're already signed in to your personal twitter account, click the **Follow** button. Otherwise, sign in first (or make an account if you don't already have one) then click this **Follow** button.

**Facebook:** Again, this is really simple. Type [www.facebook.com/burybombers](http://www.facebook.com/burybombers) into your internet browser. You'll see the screen as shown below if you're not signed into Facebook. Once you're signed in (or signed up), click the **Like** button and all the Bury Bombers updates will appear in your News Feed.
