Raffle Tickets

How is the raffle ticket selling going? You have 3 weeks left to sell your £50 quota and if you can sell more, please ask Nicola for tickets. The list of prizes is on the website.

Raffle at the Apex

We have been allotted one last chance to sell raffle tickets in Bury St Edmunds on Saturday 26th September, 9am—5pm. Can you help? We have also booked a Street Collection Licence on that date for the Apex and Market Place areas.
PLEASE COME AND HELP.

Tell one of the Committee if you or your family can help as we would like all sellers/collectors to wear kit.

Coaching Course

Congratulations to the 8 Club members who attended a two day Level 1 Coaching Course over the summer. All successfully gained their qualification and will be joining Jill on the coaching team for this coming season. It is really important to let Jill know as soon as possible if you are not attending any Club night, as these new coaches will be disappointed if they cannot deliver their planned sessions.

Bombers Clothing

An order form is enclosed with your Welcome Pack for anyone wanting to purchase Bombers Polo's, Fleeces or Hoodies. Please indicate sizes and colours and return your form to Nicola by **the end of the month**. You will need to pay by cash, cheque or BACS before your order is processed.

Raising Awareness

The Club have been invited to be involved with an awareness campaign to involve medical professionals to raise awareness for disabled sport.

Nicola would like details of your/your child's consultants please, who will be approached to come and try our wonderful sport and hopefully raise some money as well.
